Die Klöppelspitzen – I^{te} Serie

Abb. 65.

Abb. 66.

The first part of the book is devoted to a general history of the United States from its discovery to the present time. It is divided into three periods: the first, from the discovery to the establishment of the first colonies; the second, from the establishment of the first colonies to the declaration of independence; and the third, from the declaration of independence to the present time. The second part of the book is devoted to a detailed history of the United States from its discovery to the present time. It is divided into three periods: the first, from the discovery to the establishment of the first colonies; the second, from the establishment of the first colonies to the declaration of independence; and the third, from the declaration of independence to the present time.

The third part of the book is devoted to a detailed history of the United States from its discovery to the present time. It is divided into three periods: the first, from the discovery to the establishment of the first colonies; the second, from the establishment of the first colonies to the declaration of independence; and the third, from the declaration of independence to the present time. The fourth part of the book is devoted to a detailed history of the United States from its discovery to the present time. It is divided into three periods: the first, from the discovery to the establishment of the first colonies; the second, from the establishment of the first colonies to the declaration of independence; and the third, from the declaration of independence to the present time.
